The camp staff is not responsible for lost items. Please send your child in comfortable clothing and sneakers (**NO sandals please**). Also, we will be painting on many days, so please send your child to camp with appropriate clothing. We will be having water day once a week. (Usually on Wednesdays) You will be notified with a handout on Monday's, which day it will be on (the day may fluctuate due to weather). Please have your child wear a swim suit and bring a towel to camp on water day. Also please apply sun block before your child arrives to camp every day!

There is a bulletin board at the entrance of camp that lists the weekly activities planned. Please be sure to read the bulletin board when dropping off and picking up your child. There is a special event day at the end of each session that parents and families are invited to. If your child will be absent during camp, please be sure to let your child's counselor and camp director know so that we can update you on any camp events.

We invite parents/guardians to stay a **few minutes** on the first day of their session to meet the camp staff and to review pick up procedures with the staff. If you have any concerns about your child's experiences, we encourage you to discuss them with us. We want to make this summer an outstanding one for everyone.
